12.3 Accounts to 30th November & forecast for the remainder of the financial year.

The situation has changed very little and we remain with the budget as proposed at Full Council, we note the Clerks report that we may have to have another Full Council Meeting to set the precept once we get the figures from WCC.

12.4 2013/14 Budget.

As above we will hold the final decision on the final budget which will set the precept that we require until further information has been received.

12.5 Coach Green – Cricket Clubs approach.

The committee wish to support the use of the green as a cricket ground, however much is dependent on the club securing funds. The committee therefore initially recommend a letter is written to the Cricket Club supporting their endeavours to seek funding. We will then seek to have a license in place should they be successful in attracting sufficient funds. It is early days yet but we do wish to see the green used.

12.6 King George Playing Fields – progress Report

We are awaiting confirmation of who the signatories on the account are.

12.7 Correspondence on Financial Issues.

Copy letter sent out from NALC regarding the new base rate, it's a badly worded letter and we doubt it will make any impression at all.

12.8 Accounts to be paid as listed – None

12.9 Date of the Next Meeting – January 17th 2013 Itchen Abbas & Avington Hall.
