\*Options for Nature of Report: For Decision, For Discussion, For Action, For information,

### **Couch Green play area & King George the Vth field.**

#### **❖ Annual H&S inspection 2018: (To receive report & note)**

The 2018 annual play inspection report has been received and is attached. (Annex A), The inspector praised the council for the excellent progress made on the play areas over the year.

The new action plan based on the 2018 annual report is at **Annex B**

#### **❖ New Lease agreement for KGVth playing Fields: Worthies Youth Football Club (For Decision)**

WYFC have confirmed their commitment to the pitches for the 2018-19 season. A new agreement was approved by F&GP and has been signed by both Chairmen. The club have discussed removing the adult goals to maximise the marking out of pitches. Council are asked to approve this request as the current goals do not meet FA safety requirement & are redundant given no adult teams play at eh facility. The club are also simultaneously considering a bid to the FA for roller goals.

#### **❖ Grass Cutting in the Couch Green Play area: COMPLETE**

The Chairman signed the addendum at the last FCM. The Contractor has returned his signed copy.

#### **❖ New Storage to replace the old Pavilion. (For Decision)**

Further discussions with WYFC took place this month, there are a number of options available with a variety of benefits to the club and the local community. Council are asked to agree the "Project Mandate" for the IVPC to work with WYFC to deliver an accommodation solution that provides:

- Secure storage for WYFC kit
- A small amenity space for the local community and WYFC
- A small catering space for the local community and WYFC

The facility should be designed with a 5-10-year life during which the Council will work with WYFC, WCC and the FA to investigate a longer term permanent solution. The facility should be sufficient to enhance the offering at Couch Green so that other clubs and community organisation will be attracted to the area but costing significantly less than a permanent solution.

If Council agree the above project mandate, then a "Project Initiation Document" detailing how the project will be managed and the options can be drawn up for FCMs consideration in September.

❖ **Small Copse of Tree's:(COMPLETE)**

Merritt Tree Specialist completed the work specification on the 1<sup>st</sup> June 18.

❖ **Levelling of the Playing Fields and future development at Couch Green (For Info)**

Regrettable, the initial approach from Winchester Youth Football Club has not been actively followed up by the club.

WCC released its long awaited the Playing Pitch strategy on Monday the 25<sup>th</sup> June. The full strategy is available from [www.winchester.gov.uk/community-recreation/sports-pitches](http://www.winchester.gov.uk/community-recreation/sports-pitches)  
The strategy is 86 pages long, therefore a full report on the implications for our pitches will be available at Septembers FCM.

❖ **The King Georges Playing Field Trust: (Action needed by the Clerk)**

The Charities Commission Annual Return is due in July. Cllrs Oliver Denniss should be removed as a Trustee, and the internal audit comment that Parish Council funded income and expenditure do not need to be shown on the Charities Commission records needs to be reflected on the return.

❖ **New Piece of play equipment: (For Info)**

No further work has been done on this yet.

❖ **Fences and Gates: (For Info)**

James White have been instructed to carry out the work approved at last month's meeting. I am awaiting a date for the work.

❖ **Road Signs: (For Info)**

Many thanks to Cllr Appleby for securing the new playground road signs on the B3047.

1. Parking, Opposite Old School House, Church Lane, Martyr Worthy.

WCC have been asked to put in a white line at the above location. The aim is to avoid cars being parked here and allow vehicle access to the property opposite. Although this measure has no legal status it has worked at other locations. It will have to be seen if it is effective in this case.

2. Cart & Horses Junction.

A meeting has been held with Steve Brine MP, Jackie Porter, Caroline Horrill (Leader WCC), Lisa Griffiths, Margot Power, two representatives from Kingsworthy PC & PBA on the problems of this accident black spot. It was clear at this meeting that there was confusion as to who had right of way. It agreed to continue to make representations to both Hampshire Highways and SDNPA to get a permanent safe solution. The suggestion of traffic lights is not acceptable as it would be against SDNP Dark Skies Policy.

## Full Council Meeting

### Discussion Paper on Organised Events & Car Parking on Parish Council Occupied Land.

[Clerk@Itchenvalleyparishcouncil.org.uk](mailto:Clerk@Itchenvalleyparishcouncil.org.uk)

#### 1. Background

The Parish Council are the:

- Owner and occupier of the King George Vth Playing Fields, Martyr Worthy
- Owners and occupiers of the land adjacent to the KGVth with the play area at Couch Green, Martyr Worthy
- The Custodian Trustee and holder of a license to operate at the Old School Field, Easton.

The Parish Council in setting out this guidance wish to facilitate the maximum use of both open spaces by the local community. This document sets out the requirements for parking and events on Council controlled land. Therefore, this policy **does not apply** to the land at the Old School Field Easton, which is occupied and controlled by the McPherson School Field Trustee's.

Under the 1906 Open Spaces Act, the public are the beneficial owners of parks and public open spaces, the council responsibility is to maintain open access areas for amateur sport and public amenity. Except for the play area at Couch Green which has a timed restriction on its use, the public normally have 24 hr a day unfettered access to these areas.

Under the Occupiers' Liability Acts 1957 and 1984 Acts every "occupier" of land has a duty of care towards those using the land. The council as occupier must take reasonable care to ensure the facilities/land is reasonably safe for the purpose for which the visitors are permitted to be there. The concept of reasonableness is an elusive one, but it can be grasped by asking "would the average reasonable person think this is sensible". If there is a breach of this duty which causes personal injury or damages to goods, then the occupier is liable to pay damages.

There are two main Acts that stipulate how Council controlled land can be used

1. Section 44 of the Public Health Acts Amendment 1990
2. Section 145 of the local Government Act 1972

**1.1 Section 44 of the Public Health Acts Amendment 1990:** The Council may close to the public the whole or part of any park or pleasure ground provided by them and may use it to allow any public, charity or institution to use it for

- a) An agricultural show
- b) Any other type of show
- c) Any other public purpose.

This includes fetes, festivals and carnivals. Entry to the event may be free of charge or by payment. The ground may be closed on any day the Council sees fit but the closures must not;

- d) exceed 12 days in any one year

- e) exceed four consecutive days on any one occasion or
- f) Include a Sunday (This rule is later relaxed by S145 LG Act 1972, which allows for partial closures.)

1.2 **Section 145 of the local Government Act 1972** allows partial enclosure of parks for specific purposes, which relate principally to entertainment. (see Appendix A)

**Its important to note that unless the use of the land is permitted by statute it is Unlawful.**

## **2. Organised Events on the Fields:**

2.1 Permission will be granted for organised events on both fields, for the following;

- a) Any sports event or end of season celebration for Sports Clubs who regularly hire the pitches

- a. Parking on the fields will be allowed on the following basis:

  - ii.) Parking and event requests do not exceed the allowable 12 days per year.

- c. A further deposit of £50 is required if ancillary parking is required.
- d. The Parish Council carries Public Liability Insurance for the playing fields. Failure to notify the Clerk of additional parking will result in Trespass.

Typical post surfacing pictures attached

A Countryside Access RCF grant would be available to part fund the scalpings and cost of laying.

FP 12 needs Terram and scalpings in the boggy areas but access much more difficult than FPs 30 & 26 – **ongoing**
