## **5. Items to be Considered at Next Meeting.**

### Signage for Charity Event

Cllr Langford referred to the letter from a local resident complaining about the estate agents' boards advertising a local charity event. There was a discussion about the visual impact and the planning implications. It was agreed that Councillor Appleby would write to the complainant indicating that whilst the Council had sympathy with the complaint about the number of boards and time they were in place they complied with planning legislation and therefore could not be reported to Planning Enforcement for a breach of planning. The Council also felt that the notices put up by the Hampshire and Isle of Wight Wildlife Trust were informative and for the safety of walkers and were not permanent, indeed they had already been taken down.

### WCC Enforcement

Clerk Mr Weaver drew the attention of the meeting to WCC's response to their email on enforcement issues. Cllr Langford also reported that he had attended a meeting of Parish Councils and Winchester City Council at which they committed to improve the reporting of how their enforcement of cases in a parish were going.

Cllr Appleby confirmed that he had sent a letter by e-mail to WCC Planning Enforcement, stating that it was a matter for them to decide as to whether or not to take action regarding dumping of waste material on the Ransom Strip.

## **6 Date of next meeting**

Tuesday November 13<sup>th</sup> at 7.00 pm at Itchen Abbas & Avington Village Hall.

The meeting closed at 7.30 pm.
