 - a) [19/00878/FUL - Brethrens Meeting Room, London Road](#) (L)
Removal of condition 4 to allow revised access arrangements | Brethrens Meeting Room London Road Micheldever Hampshire

We **support the proposed new access** but would like Highways England to be consulted about the design of the access which must accommodate 100 vehicles arriving in 'a 15 minute' window and the possible impact this would have on the Southbound slip road.
Action: Clerk to add comment to SDNP Planning Portal
 - b) [New House/The Grange Itchen Abbas \(L\) & \(A\)](#)
SDNP/18/00676/NMA
Update from Enforcement Office. An Enforcement Case has been opened. They will respond to the council in 6-8 weeks
- 6 **Update on requested pre-planning guidance building of new house on site of dwelling demolished 150 years ago on land North of Church in Easton**
The council noted that there were further responses on SDNP website and that there had been no complaints received by Highway Engineers or Environment Agency.
The Council are happy for the applicant to come and discuss the pre-planning application with them. Any other discussions around this application should take place at the Planning Meeting at which the formal application when made, will be discussed.
