Nature of Report*:	For Information		

1) Hole in Road on B3047 near Martyr Worthy War Memorial

This was reported earlier this year. As no repair has taken place so far, it has been reported again. The report has been acknowledged, further details are awaited.

2) M3/A34 Link- Junction 9.

Cllrs Porter, Power and myself have met with Highways England and a representative of their consultants to discuss progress on points previously raised regarding the above. Plans are being drawn up to mitigate the concerns raised on safety and noise and other factors such as protection of the environment. Their publication is awaited. Further consultations are due to take place and are expected to start at the beginning of July 19.

This information has been included in my report to the June edition of the Itchen Valley News.
